- Leaves a fresh pine scent
- Concentrated to save you money

### **Directions**

To clean and deodorize hard, non-porous surfaces in one operation, use a mop or brush and apply a solution of ¼ cup (2 fluid ounces) 4Pines® Deodorant Cleaner to 1 gallon of water for moderately soiled surfaces such as floors, pet quarters, and garbage cans. Mix a fresh solution before each use. No rinsing is necessary except on rubber asphalt tile and on food contact surfaces. Use at full strength for cutting grease, crayon, old wax, or heavy-duty cleaning jobs; rinse immediately. For laundry, use at full strength on heavily soiled areas such as collars, cuffs, and grease stains.
